PREAMBLE

This Agreement is entered into by and between The City of Dixon, (hereinafter referred to as the “Employer” or “City”) and the Illinois Fraternal Order of Police Labor Council/Dixon (hereinafter referred to as the “Labor Council”). The Agreement shall be in effect from May 1, 2016 through April 30, 2019.

ARTICLE 1 RECOGNITION

The City agrees to recognize the Labor Council as sole and exclusive representative on such matters relating to wages, hours and working conditions upon which it may lawfully bargain collectively for the classification of Patrolman and Sergeant.

ARTICLE 2 NON-DISCRIMINATION

The parties to this Agreement do pledge and agree that there will be no discrimination against any employee, or prospective employee, by reason of his race, sex, creed, color or national origin, and that they will mutually work to give effect to the spirit and the letter of all obligations resting upon them as responsible participants in the community and nation, whether these obligations be ethical, moral or legal. All pronouns or other words in this Agreement which connote gender shall be deemed to include the several sexes.

ARTICLE 3 MANAGEMENT RIGHTS

Except as limited by the terms and provisions of this agreement, and the authority granted by the applicable Illinois Statutes, the City retains all traditional rights to manage and direct the affairs of the City as authorized and to manage and direct its employees, to make and implement decisions with respect to the operation and management of its operations, consistent with all rights and authority possessed by the City prior to the execution of this agreement. These rights and authority include, but are not limited to, the following:

To plan, direct, control and determine all the operations and services of the City; to determine the City’s mission, objectives, policies and budget and to determine and set all standards of service offered to the public; to supervise and direct employees and their activities as related to the conduct of City affairs; to hire all employees and to establish the qualifications and standards for employment as authorized by law, to schedule and assign work; to promote as authorized by law, evaluate employees within the City; to establish work and productivity standards and, from time to time, to change those standards; to lay off or relieve employees due to lack of work or funds or for other legitimate reasons; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to make, alter and enforce reasonable rules, regulations, orders and policies, to discipline, suspend and discharge employees for just cause (probationary employees without cause); to change, relocate, modify or eliminate existing methods, equipment or facilities; and to determine whether services are to be provided by employees covered by this agreement.

ARTICLE 4 WORK RULES AND REGULATIONS

The City shall have the right to make such reasonable rules and regulations as are necessary for the safe and efficient operation of the Police Department and the morale of its members in the prosecution of its business. Any action taken by the City under these rules must be reasonably proximate to the causal event. These rules and regulations must be posted. Posting shall constitute notice to the employees of the rules. The reasonableness of any rule promulgated by the City is subject to adjudication through the grievance procedure. There shall be no ex post facto implementation of rules; and further, they shall not be in effect until they have been posted for at least seventy-two (72) hours.

ARTICLE 5 DUES DEDUCTION

5.1 Dues Deduction

Upon receipt of a written and signed authorization form (Appendix B) from an employee, the Employer shall deduct the amount of the **Labor** Council dues and the initiation fee, if any, set forth in such form and any authorized increase therein, and shall remit such deductions monthly to the Illinois Fraternal Order of Police Labor Council at the address designated by the Labor Council in accordance with the laws of the State of Illinois.

Illinois Fraternal Order of Police Labor Council

The Labor Council shall advise the Employer of any increase in dues, in writing, at least thirty (30) days prior to its effective date. In respect to the above dues, all deductions shall be forwarded to the F.O.P. Labor Council by the fifteenth (15th) of each month. Such deductions authorized by an employee to the Employer shall be irrevocable unless revoked by written notice to the Employer and the Labor Council ninety (90) days prior to the expiration of this agreement. The Employer agrees to forward a list of employees along with the above dues. The list shall;

- a) contain the name and address of each employee from whom the dues have been deducted, and
- b) shall indicate if the dues are authorized deductions or fair share.

5.2 Dues

Each employee who on the effective date of this Agreement is a member of the **Labor** Council, and each employee who becomes a member of the Labor Council after that date shall maintain his membership in good standing in the Labor Council during the term of this Agreement.

5.3 Fair Share

Any present employee who is not a member of the Labor Council shall be required to pay a fair share, not to exceed the amount of the Labor Council dues, of the cost of the collective bargaining process, contract administration in pursuing matters effecting wages, hours of work, and other conditions of employment, but not to exceed the amount of dues uniformly required of members. All employees covered in the bargaining unit hired on or after the effective date of this Agreement and who have not made application for membership shall, on or after the thirtieth (30) day of their hire, also be required to pay a fair share as defined above. - c) The Labor Council has certified to the Employer that the effected employee has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have said objections adjudicated before an impartial arbitrator assigned by the employee and the **Labor** Council for the purpose of determining and resolving any objections the employee may have to the fair share.
- d) The **Labor** Council and the Employer agree that the basis for dispute of an effected employee under this article shall be governed by the "Hudson" decision and that nothing in this Article shall violate the terms therein.

5.4 Indemnification

The **Labor** Council shall hold and save the City harmless from any and all responsibility and claims in connection with the collection and disbursement of monies under this Article and Agreement.

ARTICLE 6 - HOURS OF WORK

6.1 Regular Hours

The regular hours of work each day shall be consecutive. Under normal circumstances, Patrol Division officers shall work shifts of twelve (12) consecutive hours as follows:

(1) Day Shift	6:00 a.m. - 6:00 p.m.
(2) Night Shift	6:00 p.m. - 6:00 a.m.
(3) Peak Shift	4:00 p.m. – 2:30 a.m.

Eight (8) consecutive hours of work shall constitute a work shift for employee assignments as designated by the Chief of Police. All employees shall be scheduled to work on a regular work shift and each work shift shall have a regular starting and quitting time. Nothing in this Article or Agreement shall be construed as a guarantee of hours per day or days per week of employment or pay in lieu thereof, nor a limitation of hours per day or days per week which may be scheduled. Any officer working the Peak Shift shall be paid a Peak Shift differential of \$1.00 per hour.

6.2 Shift Rotation Schedule

Officers working Patrol Division assignments shall work twelve (12) consecutive hours shift on an eight (8) week rotation. See following example:

Work Schedules showing the employees' shifts, work days and hours shall be posted on all department bulletin boards at all times.

6.4 Continuous Operations

The practices with respect to continuous operations and scheduling of shifts in effect as of the date of execution of this Agreement shall be continued for the duration of this Agreement.

6.5 Shift Change

Except where circumstances which require a personnel shift change which could not be reasonably foreseen, any change from posted work schedule shall require a fifteen (15) calendar day notice, unless the officer agrees with the change. Notifications shall be in writing and posted. Date of posting is day one (1). Any officer who is required to work a Night Shift for more than 2 months shall be paid a shift differential of \$1.00 per hour for all continuous Night Shift hours beyond the 2 months. Officers who volunteer to work Night Shift shall not be paid this differential. Any officer working either the Peak Shift or the Night Shift, or a combination of both, for more than 3 months, shall be paid a differential of \$2.00 per hour.

6.6 Permanent Work Change

If the City decides to change the existing work schedule to a permanent shift assignment format, it must notify the **Labor** Council thirty (30) days prior to the change. The Labor Council shall have the right to negotiate with the City over shift differential for those employees scheduled to work 6pm to 6am.

6.7 Detective Schedules

Officers working Detective Division assignments shall work shifts of eight (8) consecutive hours Monday through Friday. The Chief of Police may modify the work shifts of officers assigned to the Detective Division when deemed necessary.

ARTICLE 7 OVERTIME

7.1 Rate of Pay

Time and one-half (1 ½) the employee's regular hourly rate of pay, as defined below, shall be paid for work under any of the following conditions, but compensation shall not be paid twice for the same hours: All work performed in excess of forty (42) hours (for eight hour schedules) in any work week or eighty-four hours (for twelve hour schedules) in any bi-weekly work period.

An employee required to report to work before the start of his regular shift shall not be sent home early, but shall be given the opportunity to complete his regularly assigned work shift.

7.2 Compensatory Time

An employee may elect to take compensatory time in lieu of overtime payment. Compensatory time shall be calculated at the same rate as overtime payment. Employees may accumulate up to sixty (60) hours of compensatory time in any calendar year; however, an employee may maintain a balance of sixty (60) hours by depositing more compensatory time in the compensatory bank. (For example, if an employee accrues sixty (60) hours of compensatory time and then uses twenty-four (24) hours of compensatory time, the employee may accrue more compensatory time, not to exceed sixty (60) hours in the compensatory bank.) Hours can be used in increments of one (1) to twelve (12) hours. Ten (10) hours can be carried over from April to May. Hours carried over from one year to the next will be compensated at the pay rate the employee accumulated the hours at. At the end of the fiscal year, any accumulated compensatory time will be paid at the employee's then current overtime rate, unless the employee decides to carry a maximum of ten (10) hours over to the following year. Compensatory time shall not be unreasonably denied.

ARTICLE 8 SENIORITY

8.1 Definition

Seniority means an employee's length of continuous uninterrupted service with the Employer since his last date of hire.

8.2 Probation Period

New employees shall be added to the seniority list one (1) year after completion of the Dixon Police Department Field Training Program (FTO). During this period of probation no grievance may be filed by such employee, or on his behalf, regarding his discharge or other discipline.

8.3 Seniority Lists

Once each year the Employer shall post on all bulletin boards a seniority list showing the continuous service of each employee. A copy of the seniority list shall be furnished to the Local and the Labor Council when it is posted. The seniority list shall be accepted and final thirty (30) days after it is posted, unless protested by the Labor Council or an employee.

8.4 Breaks in Continuous Service

An employee's continuous service record shall be broken and seniority lost by voluntary resignation, discharge for a just cause, lay-off for a period longer than continuous service or twenty-four (24) months whichever is least, failure to return upon recall from lay-off as provided in 9.1, retirement, and failure to return to active work on the first day of scheduled work following the expiration of a leave of absence.

ARTICLE 9 LAY OFF AND RECALL

9.1 Lay-Off

In the event the City lays a Patrolman or Sergeant off, it will lay-off the least senior employee in the classification to be reduced providing there remains on the staff an employee with the necessary skill, ability, knowledge and physical fitness to perform the work of the least senior employee. Where such skill, knowledge, ability and physical fitness is not available, the City may retain personnel out of seniority order. Such a decision is subject to the Grievance Procedure. A laid-off employee shall retain and accumulate seniority subject to Section 8.4 but shall receive no pay or other benefits of employment. Upon recall to work, an employee's vacation pay (not bonus) shall be pro-rated and each full calendar month on lay-off shall reduce his vacation pay by one-twelfth. A laid-off employee's Health, Welfare and Life Insurance will be continued as provided in Article 22 for three (3) full calendar months following lay-off. The City will recall an employee by telephone, telegraph or registered letter in seniority order subject to the same skill, ability, knowledge and physical fitness provision as governs lay-off, and the employee will accept recall within seventy-two (72) hours of receipt and report to work within five (5) calendar days of receipt.

9.2 Re-Call

The Employer shall give the Labor Council and the affected employee(s) not less than two (2) weeks prior notice of the effective date of any layoff. Laid off employees shall then receive thirty (30) days' pay. Employees shall have recall rights for not less than twelve (12) months from the date of layoff.

ARTICLE 10 STRIKES AND LOCKOUTS

There shall be no lockout of employees instituted by the Employer during the term of this Agreement. There shall be no strike of any kind during the term of this Agreement.

ARTICLE 11 DISCIPLINE AND DISCHARGE

11.1 Representation

Employees covered by this Agreement shall have the right to request and to have a Labor Council representative with him/her at all stages of interrogation whether formal or informal. "Labor Council Representative" for the purposes of this Article shall be defined as a representative of the Illinois Fraternal Order of Police Labor Council. A local representative may be named by the Labor Council in the event that an immediate need arises in an emergency requiring immediate investigation or at the discretion of the Labor Council. This local representative shall be a person who is not an investigator of, a witness to, or in any way involved in the matter under investigation. It is agreed that any relevant information or document not available for inspection prior to any proceeding under this Agreement adverse to the interest of the employee shall be barred from use.

11.2 Conduct of Disciplinary Investigation

If an inquiry, investigation, or interrogation, oral or written, of an employee classified as a "peace officer" under the Act could result in the recommendation of some action, such as suspension, dismissal, loss of pay, reassignment or a similar action which could be considered a punitive measure, then the Employer shall follow the procedures set forth in the Illinois Compiled Statutes, 50 ILCS 725/1 et seq.

11.3 Just Cause

Disciplinary action may be imposed upon an employee only for just cause.

11.4 Progressive/Corrective Discipline

The parties recognize the principles of progressive and corrective discipline. The Employer's agreement to use progressive and corrective disciplinary action does not prohibit the Employer in any case from imposing discipline which is commensurate with the severity of the offense, including discharge for first offense for major offenses.

11.5 Expungement of Records

The parties agree that oral or written warnings shall be expunged from an employee's personnel and/or disciplinary file(s) one (1) year after the warning is received providing no repeat of the same infraction has occurred in that period. All such expungements shall take place upon written request by the employee. Any information of an adverse employment nature which may be contained in any exonerated, unfounded or no conclusion file shall not be used against the Officer in any future disciplinary proceeding.

ARTICLE 12 GRIEVANCE PROCEDURE

If any difference should arise, an earnest effort shall be made to settle it in the manner described below, provided that no grievance shall be processed in any step (including arbitration) if the aggrieved employee, or any employees, are engaged in a strike in violation of this Agreement.

12.1 Labor Council/City Grievance Representation

Labor Council grievance representation will consist of no more than two (2) members of the bargaining group (who have at least one (1) year's seniority) and may be elected or selected at this discretion of the Labor Council. The City will be represented in the various steps of the grievance procedure as follows:

Step 1 - Lieutenant or his representative

Step 2 - Chief of Police or his representative

Step 3 - City Commissioners or their representative

12.2 Definition

A grievance is defined as an allegation by an employee, or the exclusive bargaining representative on behalf of an employee, that the City has violated a provision of the collective bargaining agreement. All formal grievances shall be processed in accordance with these grievance procedures. The parties acknowledge that the informal resolution of disputes is appropriate in certain circumstances and that resolution of problems at the lowest possible level is in the best interests of both parties, therefore, nothing herein shall prohibit the parties from informally discussing and resolving disputes under the contract.

12.4 Arbitration

The arbitration proceeding shall be conducted by an arbitrator to be selected by the employer and the union within 10 business days after notice has been given. If the parties fail to agree to the selection of an arbitrator, the Federal Mediation and Conciliation Service (FMCS) shall be requested by either or both parties to submit simultaneously to both parties an identical list of 7 names of persons from their grievance arbitration panel, who are members of the National Academy of Arbitrators or American Association of Arbitrators and are residents of Illinois, Wisconsin or Indiana. Both the employer and the Union shall have the right to strike 3 names from the list. Subject to the arbitrator's compliance with provisions of this section, the decision of the arbitrator shall be final and binding.

12.6 Expenses of Arbitration

The fees and expenses of the arbitrator shall be borne equally by the employer and the union. However, each party shall be responsible for compensation of its own representatives and witnesses. 17.3 Requirements for Benefits

Any benefits received under this Article shall be contingent upon the employee furnishing medical evidence in the form of a licensed medical physician stating in detail the nature of the employee's illness or injury, its extent, probable duration, and that it is sufficiently disabling to require his absence from work. It is understood and agreed that an employee making application for, or receiving, benefits under this Article may be required to undergo a physical examination by a physician designated by the City. Additionally, an employee may use two (2) sick days from December 15 through December 14 if a household member is sick. A household member is defined as someone who resides in the house on a regular basis. Any sick day use for a household member shall not count against the employee's use of sick days for purposes of calculating the sick bonus in the 17.5 below.

Should the Chief of Police have reasonable suspicion to believe that an employee is not fit for duty; the employee may be required to submit to an examination by a qualified and licensed medical professional selected by the Employer in order to determine the employee's fitness for duty. Any such examination shall be at the Employer's expense. The employee shall be notified in writing of any such examination. The written notice shall also contain the basis for the Chief's reasonable suspicion to believe the employee is not fit for duty. The examining professional shall form an opinion, based on the results of the employee's examination as to the employee's fitness for duty. The professional shall forward such opinion to the Chief of Police. Such opinion shall be confidential with only the Chief of Police, the medical professional, the employee and only those individuals having a need to know having authorized access to such reports. If it is determined as a result of an examination that the employee is unfit for duty, the employee shall be placed in an appropriate status based on the nature of the illness and/or disabling injury.

ARTICLE 18 LEAVES OF ABSENCE

Upon the expiration of a leave of absence an employee shall be returned to the position they held at the time the leave of absence was granted, provided the position still exists and the employee has the skills and physical ability to perform the job. The leave of absence shall not be considered a break in service for the accrual of seniority or length of service with the employer. The employer may request a certification from a physician stating the employee is fit to perform their job duties upon return from a leave of absence which was taken for medical purposes.

If the same position the employee held prior to the leave of absence no longer exists, the employee shall be placed in any open position in the employee's former department which the employee is qualified to hold. If no position is available, the employee shall have rights to recall to any open position which comes available for which the employee is qualified for a period of 1 year from the time the leave of absence commenced. The employee shall be paid at their regular rate of pay on the days and for the periods of time the employee was otherwise scheduled to work when performing jury duty. The hours paid for jury duty shall not be used for the determination of overtime. Any compensation received by the employee for jury duty shall be reimbursed to the City. If the employee is

Employees shall be paid the difference, if any; between the compensation they receive from the court or other public body and their wages for each day service. Such payment shall not exceed eight (8) hours straight time pay for each day of service.

This time is without pay, and the insurance benefits can be continued if the employee wishes to pay the contribution amount.

Therefore, in lieu of this practice and in its stead, an allowance shall be paid to each employee who qualifies for and actually takes a vacation in the amount equal to seven and one-half percent (7.5%) of his gross annual earnings for the prior calendar year payable on or before May 1 each year.

Eight (8) hour employees will receive five (5) of the City's recognized holidays off per year. The holidays chosen by the employee will be subject to approval by the Chief of Police, or his designee. An employee called to work on their holiday off will have the option to submit overtime at the regular overtime rate or work an eight (8) hour holiday and receive a different holiday off. All such requests shall be held strictly confidential and not released or used in any manner or forum contrary to the employee's interest. The

foregoing shall not be construed as an obligation on the part of the Employer to retain an officer on an active status throughout the period of rehabilitation. Such officer shall be afforded the opportunity to take an accumulated paid leave or take an unpaid leave during treatment.

- **Reasonable Suspicion Testing**

No officer shall be ordered to submit to a blood test, a breathalyzer test or any other test to determine the percentage of alcohol in the blood for any reason except upon reasonable cause to believe that the officer has consumed alcoholic beverages prior to reporting to duty and that the officer's ability to perform his/her duties is thereby influenced and impaired. APPENDIX C

Modified Return to Work Program Dixon Police Department

Purpose

This program provides an employee who is temporarily unable to perform the full scope of his/her pre-injury job classification due to an on-duty or off-duty injury or non-contagious illness with the opportunity to do productive work thereby minimizing the number of lost work days.

Concept

This program is designed to facilitate the early return to work of employees who have been injured or who are ill. It has been shown that a worker, who is injured or ill, will recuperate faster and return to unrestricted duty quicker when allowed to participate in a modified capacity. This program is not designed to provide a permanent modified position, but is designed to assist in the recuperation process while keeping with the goal of an unrestricted return to duty.

An employee is eligible for this program if it has been determined by a qualified medical provider of the employee's choosing that the employee's injury or illness will result in a disability (subject to Article 17.5). Decisions on temporary light-duty assignments shall be made based upon the availability of an appropriate assignment given the applicant's knowledge, skills and abilities; availability of light-duty assignments; and the physical limitations imposed on the employee. Light duty assignments will be filled on a first come basis. If work is available to the employee who has temporary physical restriction, and the work does not violate the restrictions, the employee can be required to work. The employee must be allowed by their qualified medical provider to work at least four (4) hours per day in order to be eligible for the Modified Return to Work program.

Participation in this program is contingent on the employee continuing to follow orders as outlined by the employee's qualified medical provider and advancing toward an unrestricted release to return to duty. Employees will be allowed to go to physical therapy or appointments with their qualified medical provider during working hours. However, every effort must be made to schedule appointments during non-work hours.

This policy in no way affects the privileges of employees under provisions of the Family and Medical Leave Act, Fair Labor Standards Act, Americans with Disabilities Act, or other federal or state law. This program may also be applicable in the event that an employee becomes pregnant.

Procedure

When an employee has sustained an injury or illness, which causes a temporary disability, the City will contact the employee's medical provider to ask for any modifications that will allow the employee to return to work. If accommodations can be made, the City will forward a description of the position to the medical provider for approval. Once the medical provider approves a modified position for an employee, the employee will meet with the Chief of Police.

The employee will receive an explanation of the modifications and a description of the duties to be performed while participating in the program. The employee and the Chief of Police will acknowledge by signature, they understand the modification and agree the employee will not exceed the modifications without written authorization from a qualified medical provider. The employee's status in the Modified Return to Work program will be re-evaluated after the employee makes subsequent visits to their qualified medical provider.
