AND YARD WASTE COLLECTION AND DISPOSAL
GENERAL SPECIFICATIONS**

ADDENDUM 1

1.27 Recycling Containers: A plastic 20 gallon container serial numbered, purchased by the Contractor and distributed by the Contractor to residents receiving residential Curbside Collection. **Optional method may be used in lieu of 20 gallon containers for Recyclable Material per Agreement between the City and the Contractor.** Said container shall have attached to it a sticker displaying the City logo in a form and size to be approved by the City. It shall be the responsibility of the Contractor to purchase said stickers.

15.01 Contractor to Act as Collector - The Contractor shall submit quarterly billing statements to and collect from all Residential Dwelling Units for services provided pursuant to the Contract Documents. The Contractor may pre-bill for a period not to exceed 90 days. **Contractor may also submit monthly billing statements to and collect from all Residential Dwelling Units. The Contractor may pre-bill for a period not to exceed 30 days if billing monthly. Contractor shall designate method of billing as part of bid submittal and indicate any changes in proposed rates due to monthly billing.**

Bid documents state the contract will be for three (3) years. Start and end dates of contract indicate four (4) years. It is a three year contract with start date January 1, 2018 and end date December 31, 2020.

Bid form includes price bids for five (5) years. Bidders may submit alternate pricing for a five year term.

Bidders shall indicate the location of the landfill they will be using for residential waste collected in the City of Dixon. With all other factors being weighed, preference will be given to contractors using the Lee County Landfill.
